PRAYER IS RISING

Prayer is rising, prayer is rising
Prayer is rising, rising to You

Lord we come with thanks
To the throne of grace
As we enter in we repent of sin
We are Your children You see every need
We're sending up a prayer for we believe

Prayer is rising, prayer is rising
Prayer is rising to You
Burdens lifting, praise ascending
Prayer is rising to You

Prayer is rising, prayer is rising
Prayer is rising to You
Faith is soaring, hearts outpouring
Prayer is rising to You

We're receiving and we are bringing
All thanksgiving to You

Prayer is rising, Prayer is rising
Prayer is rising to You
Voices calling, mercy falling
Prayer is rising to You

SAY SO

What does it mean to be saved
Isn't it more than just a prayer to pray
More than just a way to heaven
What does it mean to be His
To be formed in His likeness
Know that we have a purpose

To be salt and light in the world, in the world
To be salt and light in the world
Let the redeemed of the Lord say so

Oh that the church would arise
So that we would see with Jesus' eyes
We could show the world heaven
Show what it means to be His
To be formed in His likeness
Show them they have a purpose

To be salt and light in the world, in the world
To be salt and light in the world

I am redeemed

To be salt and light in the world in the world
To be salt and light in the world

Let the redeemed of the Lord rise up
Let the redeemed of the Lord say so

I am redeemed

LOVE SO AMAZING

This time could I have gone too far
How can forgiveness heal these wounds and scars
I can hear a gentle voice
Above the fear and all the noise
It's calling me and filling me with joy

Love so amazing
Ever embracing
All that I am
All that I've been
Right where I'm living
Mercy keeps giving
Just what I need
Love so amazing

Could it be true grace is enough?
Can falling souls be caught in arms of love?
Just how far does mercy reach?
Above the stars to oceans deep
And on and on throughout eternity

Incredible, it is beautiful
Coming from the Father above
It's powerful, unconditional
Ever living, never ending love

I NEED YOU JESUS

I surrender all I am to You
Every idol in my life remove
Everything I've held on to
That's broken Your heart in two
Forgive me Lord, I ask of You

I need You, Jesus
More than any other thing
I need You, Jesus
In the deepest part of me
You have built a bridge of mercy lovingly
I need You, Jesus

I surrender all I am to You
Every joy that I have lost renew
Restore my yesterdays
And hold me by Your grace
Help me please, I ask of You

GOD IS SINGING OVER ME

Around the throne of Heaven
 A sea of the redeemed
 Are bowing and proclaiming
 The praises of the King
 Yet His word has promised
 There's a song of love
 God Himself has written for each of us
 God is singing over me
 My soul can hear the beauty of His melody
 I feel the glory carried on the breeze
 It lifts my spirit up
 God is singing over me

When my heart is broken
 Heavy with despair
 I long to feel His presence
 To know He really cares
 Suddenly there's something
 Like a sweet perfume
 Music from above me is in the room

My God rejoices with a song of love
 I'm overwhelmed that I'm the one
 He's singing of

LET EVERYTHING

Praise God from whom all blessings flow
 Praise Him all creatures here below
 Praise Him above ye heavenly hosts
 Praise Father, Son and Holy Ghost

Let everything that has breath praise the Lord
 Let everything that has breath praise the Lord
 Let everything that has breath praise the Lord

Breathe in breathe out
 Praise Him out loud
 Breathe in breathe out
 Praise Him out loud

LAYING DOWN OUR CROWNS

We bow in worship Lord
 At mercy's seat
 Our finest perfume poured
 Here at Your feet

All our trophies and treasures
 They don't mean anything
 But one touch from You changes everything

We're laying down our crowns before You
 Come and fill us now with Your glory
 We surrender all we are
 Every dream and every scar
 In You our hope is found
 We're laying down our crowns

Please use our offering
 To touch the earth
 You take the gifts we bring
 And give them worth

All our trophies and treasures
 They don't mean anything
 But one touch from You changes everything

We surrender Lord
 We surrender Lord
 We surrender, surrender Oh Lord

MAKE A JOYFUL NOISE

Come into His presence with singing
 As music fills the air
 Let's begin the celebrating everywhere
 Giving up on all our complaining
 It's time to take a stand
 Does someone have a testimony
 Raise your hand

Make a joyful noise, Make a joyful noise
 Lift your voice, Everybody make a joyful noise

Make a joyful noise, Make a joyful noise
 Lift your voice, Everybody make a joyful noise

Even when you're in the valley
 The Lord will still be there
 You can have a heart of worship anywhere
 Paul and Silas were in prison
 The guards stood there amazed
 That empty cell proved there's power
 In our praise

Hallelujah, Hallelujah
 Let the Spirit move ya, Hallelujah

Hallelujah, Hallelujah
 Let the Spirit move ya, Hallelujah

Lift your voice, everybody make a joyful noise
 Lift your voice, everybody make a joyful noise
 Rejoice, make a joyful noise

Thank You to Everyone

ON MY FEET AGAIN

Heart is heavy
Soul is thirsty
Body's achin'
I am desperately in need of restoration
I am ready for You to take me higher
The only thing that I can do is keep on praying

On my own I just can't get it right
It doesn't matter how hard I try
But with You I've become a much stronger man
Getting on my knees puts me
Back on my feet again

Load is heavy
Too much accumulation
These possessions that I have
Amount to nothing at all
I am willing to hand over every one of them
Cause they won't profit me anything in the end

Never again will I wander without You
Alone in the wilderness

Never again
Never again
Now that I understand

HOLY RAIN

In dry and barren land
Our fields have turned to sand
Before You now we stand
Lord, come and heal this land

Let Your holy rain fall down
Let Your holy rain fall down
Wash and cleanse within without
Water our souls' thirsty ground
Let Your holy rain fall down

The wells of our supply
Are broken and run dry
With desperate hearts we cry
Lord, open up the sky

Shower down on me
Shower down on me
Shower down on me
Shower down on me

For those of you who actually read liner notes:

It is so exciting to have a new album coming out after so many years. I had the privilege of working with some wonderfully talented people on this project. Bradley Knight, thanks for your amazing gift and for lending your talents to these songs. I am continually grateful for you. For the past six years I've had the experience of connecting with great writers who are a constant source of inspiration to me. Thanks for taking time to share in these songs. I appreciate your hearts for worship. Dave Schober, great sounds. You rock! To every player and singer, who probably will never read this: it would have just been words without you – Thanks! Michael Sykes, I'm glad we talked on New Year's Eve. I appreciate you pushing me to get a better vocal. Wii tennis anytime, anywhere! I also want to thank Kent Holmes for always being so willing to go the extra mile. You have a big heart. Ben Terry, you made the vocal sessions a breeze. Randy Cox, my publisher and friend, I appreciate you caring and challenging me to write a better song. Tony Sillyman, I wouldn't be thanking all these people without your continued encouragement and support.

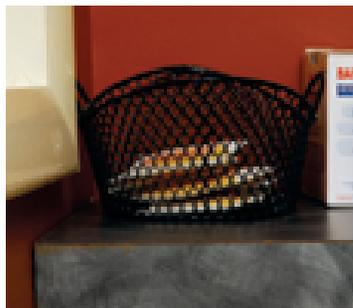

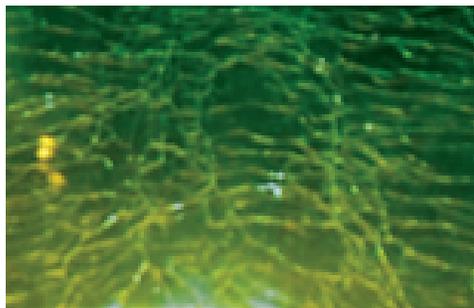

My family comes before any of this because without them it wouldn't be the same. Sophia, Eli and Kim...just thinking about you makes me smile.

And above all, I'm thankful for a relationship with Jesus Christ that has been the most amazing part of my life. My prayer is that these songs would bring honor and worship to Him.

Thanks for listening.

WORSHIP WEEKEND

A Worship Weekend focuses on engaging worshipers to rediscover the importance of connecting our hearts with purpose and dedication. Regi spends a weekend sharing his passion for worship and forming relationships with pastors, musicians, choir members and more. Through times of interactive devotion, prayer, and song, your team will be encouraged and better equipped to lead your congregation in worship.
